SUMMARY

As a student and passionate machine learning enthusiast, I'm eager to apply my strong academic foundation and enthusiasm for cuttingedge technologies to contribute and grow within a dynamic organization.

SKILLS

Languages: Java, SQL, Python, JavaScript, HTML, C++, C, Machine Learning, Data science

Technologies: GCP, Salesforce

PROJECTS

Machine Learning	**House Price Prediction**	**github.com**

In our house price prediction project using linear regression, we leverage data analysis and regression techniques to estimate home values accurately and assist buyers and sellers in making informed decisions.

Machine Learning	**Wine Quality Predictor**	**github.com**

Utilizing linear regression, our project predicts wine quality based on key attributes, offering insights into enhancing wine production and quality assessment.

Web development	**portfolio**	**github.com**

Crafted an engaging portfolio website project, showcasing web development skills, creativity, and dedication to delivering visually stunning and userfriendly online experiences

Python	**Task Reminder**	**github.com**

Created a task reminder project using the Plyer library to help users manage and stay on top of their tasks efficiently and conveniently.

EDUCATION

2020 - pursuing	**GURU NANAK INSTITUTIONS OF TECHNICAL CAMPUS**	**B.Tech**

Computer Science and Engineering (AIML)
CGPA :8.2

2018-2020	**NARAYANA JUNIOR COLLEGE**	**Intermediate**

MARKS : 960

2018	**NEW RISHI HIGH SCHOOL**	**SSC**

GPA : 8.7

EXPERIENCE

6/2022 - 7/2023	**GDSC CLOUD MEMBER**	**GDSC GNI**

- Volunteered the team for the web development ,Cloud Computing courses to clarified the queries of my team in the college during free time
GCCP

9/2023 – 10/2023	**SALESFORCE VIRTUAL INTERNSHIP**	**SALESFORCE**

- gain realworld experience and develop skills in the field of cloud computing, customer relationship management, and software development.
salesforce platform

CERTIFICATES

NPTEL	**MACHINE LEARNING , ML**

NPTEL	**PYTHON FOR DATA SCIENCE**

SMART INTERNZ	**SALESFORCE DEVELOPER VIRTUAL INTERNSHIP**
